Rent/Mortgage Assistance
Utility Assistance

2025 DAY OF CARING

10 YEARS OF IMPACT

PRESENTED BY PNC BANK

Through your support, UWSN united our community to make a powerful impact during the 10th annual Day of Caring, presented by PNC Bank. Volunteers came together to strengthen local schools, support families, and uplift neighbors across Southern Nevada.

This year's projects included enhancing school gardens, assembling school supply kits, distributing food items to families, assisting pets in need of homes, and more, creating meaningful change for neighbors across the community.

NEARLY 1,300 VOLUNTEERS
united across the valley

50 COMMUNITY PROJECTS
completed in one day

3,756 VOLUNTEER HOURS
invested back into Southern Nevada

UNITED WAY Southern Nevada

COMMUNITY IMPACT HIGHLIGHTS

HELPING LOCAL FAMILIES THRIVE

Elena, a devoted grandmother, stepped in to care for her grandchildren when it became unsafe for them to remain with their parents. Overnight, she was responsible for navigating legal paperwork, enrolling the children in school, and ensuring they had everything needed to feel safe and supported. The challenges were immense, but she was determined to create stability for her family.

Thanks to your support of our Community Impact initiatives, UWSN helped cover the legal fees for Elena's guardianship hearing. With legal guardianship secured, she was able to access medical coverage, food assistance, therapy, and clothing for her grandchildren. This support opened the door to the fresh start they deserved.

Because of your generosity, families like Elena's can build safe, stable futures.

TRUNK OR TREAT

PRESENTED BY Quantum FIBER

Thanks to your support, UWSN brought Halloween magic to life with its **first-ever** Trunk or Treat, presented by Quantum Fiber.

- **500+ attendees** joined the festivities
- **20+ themed trunks**, including appearances by the Las Vegas Metropolitan Police Department and Las Vegas Fire Department
- Guests enjoyed **face painting, balloon art, and interactive games**

Together, we created a safe, fun, and memorable evening for families across Southern Nevada.

RAPID RESPONSE TO COMMUNITY FUNDING PAUSES

This year, UWSN relaunched our Emergency Assistance and Community Needs Fund in response to community funding pauses to support neighbors in urgent need of food, shelter, and utility assistance. During the government shutdown, when SNAP benefits were delayed, UWSN continued our efforts to support the community. To meet the urgent need, the UWSN team:

- **Shared emergency food distribution resources** to our networks
- **Guided community advocacy efforts** to address these urgent needs
- **Volunteered at an emergency food distribution** with United Labor Agency of Nevada

These efforts are only possible thanks to your support, helping neighbors access essential food and resources during a critical time.
