United Way of Southern Nevada Inc. (the Organization or United Way) unites our community to improve people's lives. Together we create positive change by solving complex community problems. We are one organization collaborating with many to create a better community for all.

Form 990 - Organization's Mission

United Way of Southern Nevada, Inc. (the Organization or United Way) is a not-for-profit corporation governed by a local volunteer Board of Directors. The Organization was incorporated in 1957 and its operations are primarily in Clark County. The Organization is one of more than 1,200 local, independent United Ways across the country.

United Way's mission is to unite our community to improve people's lives. The Organization is innovative and collaborative in their efforts to create a better community for all.

United Way is working with and through strategic partners to address the issues that no one agency can solve alone. The Organization brings strategy and octane to the conversation, creating momentum through funds, volunteers, and support to scale the work of partners in the community.

With these partners, United Way is supporting children and families from cradle to career through its Community-Based Agenda. United Way engages the community in selecting partners with innovative approaches, provides these organizations with resources to be successful and measures their results to ensure accountability.

community problems and create positive change. The Organization's staff engages in advocacy and public policy, development of strategic initiatives and community leadership. United Way staff members manage and support community impact programs and provide nonprofit support and technical assistance. The Organization also acts as the fiscal agent for several State of Nevada grant programs benefiting the Southern Nevada area.

United Way has learned it takes more than promising programs to change conditions in southern Nevada. The Organization mobilizes businesses, institutions, nonprofits, and residents to positively impact the community and create long-lasting generational change.

By pursuing approaches that can be measured and programs that are proven to succeed, United Way and its partners are fighting for the success of Southern Nevadans - and we will win.

Annual fundraising campaigns are conducted throughout the fiscal year's annual campaign to support programs primarily in the subsequent fiscal year. Campaign dollars support community-based initiatives, collective impact efforts, and the Organization's operating expenses.

United Way's workplace giving campaigns include over 300 companies, soliciting hundreds of thousands of employees with over 20,000 donors. The 2018-19 gross community campaign raised \$5,984,571.

United Way is making a profound impact in our community through the caring power of its "Leader Networks." Leader Network members come together to create change while building personal, professional and philanthropic networks.
