Emergency Help When It Matters Most

Now, more than ever, your support is vital. Federal funding cuts are hitting Southern Nevada hard, putting food, housing, and health services out of reach for thousands of our most vulnerable neighbors.

UWSN's Emergency Assistance and Community Needs Fund provides immediate relief, helping to keep food on the table, the lights on, and a roof over the heads of countless individuals in crisis.

Your gift helps protect those most at risk.

Women United Dollars at Work

Women United is investing in the next generation of female leaders.

Each year, the **Emerging Leaders Scholarship** awards \$5,000 annually for four years—a total of \$20,000—to a local, female high school senior pursuing a college education. This life-changing scholarship helps remove financial barriers and supports recipients as they follow their dreams.

Meet Alexa, this year's scholarship recipient. She's determined to study criminal justice and become a police officer to help keep our community safe. Your generosity is helping Alexa turn ambition into action.

Thank you for believing in her future.

AB 442 is Officially Signed Into Law!

This is a historic moment for UWSN and Nevada's entire nonprofit sector. AB 442 ensures that Nevada nonprofits can serve communities more quickly, efficiently, and effectively. It improves grant partnerships by ensuring prompt notification of delayed payments to nonprofits and addresses advance payment policies.

Thank you to Howard Watts III, Nevada GrantLab, and the dozens of nonprofits that supported this bill. Your advocacy made this possible.

Nevada Ready! State Pre-K Program

Thanks to your support, 2,146 three and four year olds have gained access to high-quality early education through the Nevada Ready! State Pre-K Program. These early learning opportunities help children build strong academic and social foundations for lifelong success.

Scholarships are still available!
