

NEW HOMES. NEW BEGINNINGS. NEW HOPE.

Through the **UWSN Deseret Industries Move-In Voucher Program**, individuals and families are stepping into stability and opportunity, made possible by nonprofit partners, donors, and volunteers across Southern Nevada.

JEWISH FAMILY SERVICES AGENCY

“ I had a wonderful experience at Deseret Industries. The store was clean and well-organized, and the staff were incredibly helpful and generous with their time. I truly enjoyed my visit and would gladly share the word about Desert Industries’ kindness and wide selection of quality items—from clothing and shoes to housewares and more.”

“ My experience shopping at the Deseret Industries thrift store in Las Vegas, Nevada with my case worker Roshaunda was very positive. The employees were attentive, and the cashiers provided excellent customer service. I am truly thankful to JFSA and Deseret Industries for their participation in this program, which helps people like me obtain quality, usable items for housing. Thank you for your generosity—you are greatly appreciated.”

NEVADA PARTNERS

“ Melody was fleeing a domestic violence situation with only two outfits and no safe place to stay. Today, she has a home, basic necessities, and hope for the future. She was deeply touched by the move-in kit and welcome cards provided by the program, calling this support her “Christmas miracle.” With stability, Melody plans to find daycare, attend school, and secure employment. She says this is the best gift she has ever received and will never forget the assistance that helped her start a new life.”

LIGHTHOUSE CHARITIES

“ Desange Murorunkwere, originally from Congo, spent 27 years living in a refugee camp before arriving in the United States in 2023. As the only member of her family in America, she is building a new life on her own. Desange enjoys praying, cooking, and baking, and dreams of one day owning her own restaurant or hotel. She speaks Kinyarwanda and is working hard to learn English as she pursues her goals. Through the Deseret Industries Move-In Voucher Program, she received essential support to settle into her new home and begin this exciting chapter of independence and opportunity.

EAST VALLEY FAMILY SERVICES

“ We are no longer on the floor, and that alone has brought so much comfort and relief into our home. More than anything, we see it in our children. The kiddos are happier now—laughing more, smiling brighter—and as parents, that means everything to us.

We truly appreciate each and every one of you. Your kindness has made a real difference in our lives, and we don't take that lightly. Speaking personally, the gratitude in my heart is hard to put into words. What you've done has lifted us in ways we truly needed.”
